PRESENTATION

Set the box onto your performance stand or table

****Performer****: (Excitedly) Ladies and gentlemen, boys and girls, today I have something truly magical to show you! Inside this mysterious wooden crate lies a secret beyond your wildest dreams. Are you ready to see what's inside?

(Audience responds)

****Performer****: Great! (Raises back & Lifts Lamp up onto Box) Behold, the magic lamp! Legend says that when you rub this lamp just right, something incredible happens. Should we give it a try?

(Audience responds)

****Performer****: Okay, let's try it here on top.... No..... on the tip? No.... On the Front?

(Smoke begins to flow as MUSIC STARTS)

(Genie comes out on first SWISH SFX)

GENIE - (Flying out, jovially) Woohoo! Freedom!

(2nd SWISH)

GENIE - Oh, it feels so good to stretch my...smoke! (Wiggles fabric smoke)

(3rd SWISH)

GENIE - Hey everyone! I'm the Little Genie of the Lamp, but you can just call me Genie.

YOU - Welcome, Genie! Tell us about yourself.

GENIE - Well, I love to grant wishes, tell jokes, and sometimes, I forget a thing or two. But who doesn't, right? Now, who here wants to see some real magic?

(Audience responds)

GENIE – Okay everyone stretch out your hands to the Lamp and Wiggle your Fingers - Ready? One, two, three!

(LAMP SMOKES)

GENIE - Ta-da! Look at that! You all have the magic touch! You all are natural-born Genies! I feel like singing – Start the Music!

(GENIE SONG – Have the audience wiggle their fingers when the lamp blows)

VERSE 1

**Hello Kids, I'm a Genie – Poof I'm here
with my Turban and a grin, let's make this clear
I'm here to grant wishes and make you giggle,
So get ready to laugh and give your fingers a wiggle**

CHORUS

**Wiggle your fingers, make a silent wish
see the magic happen, watch the smoke swish
alright kids on the count of 3, wiggle your fingers and you'll see 1-2-3**

(SFX – Magic Lamp)

**I'm a silly genie full of fun
lets make some magic for everyone**

VERSE 2

**I've granted wishes, big and small
from a giant slide to a bouncy ball
I once turned a pumpkin into a hat
and a rubber duck into a talking cat!**

(CHORUS)

(Musical Interlude)

VERSE 3

**I've seen the silliest wishes come true
like a dancing elephant in a tu-tu
But the funniest things I've ever seen
was a kangaroo playing a tambourine**

BRIDGE

Now kids here's the magic truth
Dreams can come true and that's the proof
when you dream and plan you make your way,
the magic's in you everyday.

(CHORUS)

Dreams and plans they start with you
real magic wishes can come true

(OUTRO with FADE)

(Encourage applause as music fades)

GENIE - Singing is hard work, but making wishes come true is hard work too! You all can make your own wishes come true everyday for the rest of your life! Think of your wishes, write them down and do something everyday to help make them come true.

Remember – I'm just a Genie but YOU.... ARE A GENI-US!

YOU - Well said, Gene. Thank you for sharing the secret of making wishes come true!

GENIE - Oh You are so very welcome!

(LAMP BLOWS)

GENIE - Ok the lamp is calling me back, so I need to go. Can you put the lamp back in the box? It's embarrassing to be seen squeezing back into that tiny opening!

YOU – Sure No problem here you go.

(Genie Pops up)

GENIE – Well... I'm having 2nd thoughts... (You push him back down into the box)

(He pops back up, while you're looking down)

YOU – Hey Where are you going? (Push him back down toward the box)

GENIE - (Voice fading) Okay I'm gone but Remember, the magic is within YOU!
Goodbye!
